## MOLINEUX

★★★★★ (1 customer review)

L\$60,000 L\$50,000 + Free Shipping

Rich orange-red buds open to chalice-shaped blooms, filled with loosely arranged, orange petals. The surrounding outer petals are salmon-pink with beautifully contrasting golden-yellow undersides. There is a pleasant, warm Tea fragrance, with hints of spiced apple and cloves. It quickly forms a bushy shrub with slightly arching stems and mid-green leaves, which have attractive, slightly bronzed tones when young. The name is taken from one of Alfred, Lord Tennyson's poems to commemorate the 200th anniversary of his birth.
